The 2017 Mitchie FC Summer 6s Competition

Mitchelton Football Club has again teamed up with Football Queensland to bring you Summer 6s, our summer tournament.

What is Summer 6s:

Summer6s is all about providing a fun, fast, social format of the game during the off-season. It involves 6 players on each team on a modified, smaller pitch. Teams can have maximum of 10 registered players.

With a large emphasis on fun, fitness and social benefits that only a team sport can offer, it is suitable for people of all age and skill levels.

Summer6s is perfect for current players who want to keep active over the summer, those who have played but don't have time to dedicate to a full winter season, individuals who just want to have some fun with friends and it is also a great opportunity for new participants to begin playing football in a fun and social setting.

Mitchie FC's Summer 6s is open to players from any club and people who are not currently registered with any club.

We'd prefer if you organise yourselves into teams. But if you want to register as an individual we will do what we can to place you into a team.
