

Mitchie FC Member Survey

Friday, 28 August 2009

Mitchelton FC is currently developing a Strategic Plan that will guide its activities for the next 3-5 years. The plan will provide strategic direction for the development and implementation of services, programs and facilities at the club and will become one of the key documents used in the delivery of club activities.

As part of this strategic planning we would like as many people as possible to fill in a survey. To access the survey please [click here](#).

It doesn't take much time and it will be really helpful for the future planning of your club. Many thanks.
