

About Women's Football at Mitchie

Welcome to Women's Football at Mitchelton….

Since the rebirth of Mitchelton Women's Football in 2003, Mitchie has gone from strength to strength. Mitchie FC has made a firm commitment to be one of Brisbane's strongest women's Clubs.

In 2016 Mitchie had one of its most successful years with the Premier League team winning the League, Elaine Watson Cup and Grand Final. Our Division 2, 3 and 4 teams also reached finals – with Division 3 winning the Grand Final. Off the field, Mitchie has an exciting program of social activities, team bonding sessions and boot camp getaways. For us, we are not just a team, we are a family.
