

Become a Sponsor

The Mitchelton Football club is fortunate to have a number of sponsors whose support enables us to maintain your fees, while also helping improve our facilities.

As is the case with all sporting organisations, sponsorship plays a big part. With well over 800 registered junior, womens, mens and over 35s players competing across south-east Queensland every weekend, we offer enormous opportunities to a sponsor for exposure not just to our members but to all those players and supporters of other clubs who visit Teralba Park.

Opportunities include shirt sponsorships, ground signage, scoreboard advertising and event sponsorship.

If you are involved in a business or have a friend who is, and may be interested in sponsoring our club in some way, we would like to hear from you. We accept financial sponsorship, goods and services in kind and also discounts on purchases.

Contact Roger McIntosh on 0402 284 111 for more information.
