

Mens Over 35s & Over 45s

Monday, 20 January 2014

Mitchelton Football Club has one of the largest contingent of Over 35 players in Brisbane, with eight teams playing in the Over 35s Football Competition in recent years. In 2017, we again expect to enter a similar number of teams into the Over 35s and Over 45s divisions of this competition.

Over 35s Football is an independent football competition which provides players in these age groups with an opportunity to play local football, predominately on a Friday night in a relaxed, social environment with mates. Teams are organised into a number of divisions - Womens 30s, Mens 35s and Mens 45s. Games consist of 2 x 40 minute halves, with a 10 minute break between halves. A referee is appointed to control each game (no assistant referees are used) and referee's fees form part of individual's registration fees. Unlimited interchange is allowed.

The Mitchie FC registration fees for 2017 for Mens Over 35s and Over 45s are \$385. Please [click here](#) for more information about registration fees, including what is included.

New players are always welcome. If you are interested please contact the Mitchelton Football Club Over 35s Coordinator, Gary Dale on 0447195682.
