

Womens Over 30s

Monday, 20 January 2014

Mitchelton Football Club has one of the largest contingent of Over 30 players in Brisbane, with eight teams playing in the Mens section of the Over 35s Football Competition in recent years. In 2014, we were proud to introduce an Over 30s Womens team for the first time.

Over 35s Football is an independent football competition which provides players in these age groups with an opportunity to play local football, predominately on a Friday night in a relaxed, social environment with mates. Teams are organised into a number of divisions - Womens 30s, Mens 35s and Mens 45s. Games consist of 2 x 40 minute halves, with a 10 minute break between halves. A referee is appointed to control each game (no assistant referees are used) and referee's fees form part of individual's registration fees. Unlimited interchange is allowed.

The Mitchie FC registration fees for 2017 for Womens Over 30s will be \$355. Please [click here](#) for more information about registration fees, including what is included.

New players are always welcome. If you are interested please contact the Mitchelton Football Club Womens Over 30s and Mens Over 35s Coordinator, Gary Dale on 0447195682.
